www.wickhamcentre.org.uk

The Wickham Centre is situated in a beautiful rural setting in the heart of Hampshire and is amazingly versatile.

With easy links to the major towns and cities in Hampshire, The Wickham Centre is surprisingly accessible. Its large car park can comfortably accommodate up to 140 vehicles and is equipped with 24-hour CCTV surveillance.

There are a number of rooms available for hire by the hour at extremely competitive rates; flexibility will allow you to decide how and when any of the meeting rooms can be used.

The Wickham Centre is a registered charity and therefore can offer facilities that are affordable and, because it is not VAT registered, The Wickham Centre is even better value for money!

Our meeting rooms

Woodford Suite...

An ideal venue for networking! It can comfortably hold up to 100 people in an informal setting; a fully licensed bar adds to the relaxed atmosphere.

Houghton Room...

Perfect for conferences or training seminars. This room can accommodate 100 delegates seated theatre style and is very private. Outside access is available.

Meon Room...

A functional 'L' shaped room with a tiled floor, which can hold 60 delegates. This benefits from doors leading to a smaller room, which is ideal if private space is required.

Victory Room...

A small but perfectly formed venue! Ideal for interviews, study groups or for taking on-line exams. It has the advantage of being very quiet and private.

Long Room...

At a full 30-metres in length, this room is great for team-building activities; frequently used for archery and shooting. It has a tiled floor throughout and is fully sound-proofed.

Main Hall...

Does exactly what it says on the tin! A huge space holding a maximum of 500 delegates. It has sound-proofing, excellent acoustics and direct access to a fully equipped kitchen.

Wickham Room...

A lovely bright room for up to 40 delegates, and opens on to an enclosed garden. There is direct access to the main hall, if required.
